TURNON®

Premium Bath Fittings

About Us

Oza Marketing Agencies, established in 1982, has been a trusted name in the Indian bath fittings and plumbing industry for over four decades. We began by supplying quality bath fitting such as bottle traps, waste couplings, showers, ball valves, chair brackets, and other plumbing products to traders across Mumbai.

Over the years, we have expanded our reach to serve builders, developers, and leading plumbing contractors, across India. In 2010, we introduced **TURNON**, our flagship in-house brand of premium bath fittings, designed to deliver superior quality and durability.

Today, **Oza Marketing Agencies** is recognized for its commitment to quality, reliability, and customer satisfaction. With more than 40 years of industry expertise, we continue to build lasting relationships with our customers by providing quality products and trusted service.
